SOS PARTICIPANTS

The Save Our Sons program seeks to help economically disadvantaged African American men to find jobs and have the opportunity to earn livable wages. This program completes these objectives by assisting the participants in obtaining post-secondary education, job training, teaching the imperative career skills and work ethic necessary to become successful employees while entering today's workforce.

VOLUNTEER SPEAKERS

Be the change you want to see in your community. Join the movement to help our unemployed and underemployed African American men secure economic self-sufficiency. The Urban League of Metropolitan St. Louis seeks caring, talented, giving individuals to help carry out the agency's mission and goals.
