## Urban League and Baceline Investments Open New Community Resource Center at MLK Plaza

On **Martin Luther King Jr. Day 2020**, the Urban League of Metropolitan St. Louis, Inc. opened the Martin Luther King Community Resources Center in the MLK Shopping Plaza located on 3655 Page Blvd. at North Grand in partnership with Baceline Investments. At the grand opening, Rodney Walker, Regional Vice President of Walmart, presented a \$25,000 donation to the Urban League's Save Our Sons program. In addition, Alderwoman Marlene Davis, State Senators Jamilah Nasheed and Karla May attended the event to voice their support for the Urban League and the Save Our Sons program.

The Urban League MLK Community Resource Center offers employment resources, a partnership with St. Louis Job Corps, free career clothing, meeting space for the Federation of Block Units, 2020 Census Outreach, community outreach and parent services for Head Start children.

"We are tremendously grateful to our partners for helping us to serve more than 100,000 residents each year throughout the St. Louis metropolitan area, said Michael P. McMillan, President and CEO of the Urban League of Metropolitan St. Louis, Inc.

"Baceline Investments will continue to do the right things consistently to provide the safest, most business-conducive environments possible for the communities where they have properties," said Tom DiCarlo of Baceline Investments.
